

VINTAGE LIGHTING

Copenhagen

For the Continental look, Copenhagen lanterns have no equal. An artistic blend of cast aluminum, aluminum and solid brass components, brass or acrylic, frosted or 1/2 frosted panels. Result: Old World elegance adaptable to bracket, pole or pendant installation. The Copenhagen is available with an incandescent 5-light brass candelabra cluster or H.I.D. sources.

Fixture	Width	Height
Copen23	10-1/2"	23"
Copen33	14"	33"
Copen39	16-1/2"	39"
Copen41	18-1/2"	41"
Copen52	22-1/2"	52"

Yesteryear

With graceful dignity and simplicity of design, Yesteryear lanterns conjure up pleasant turn-of-the-century images. Sturdy cast aluminum and brass construction produces a charming representation of the street lamps of days gone by. Designed for post mounting only. Lamping is medium base incandescent or H.I.D. sources, with acrylic panels.

Fixture	Width	Height
Yesteryear	17-1/2"	42-3/4"

All electrical components shall be U.L. approved. Fitters and housings are cast aluminum 319 alloy. Photocells are available. Globes and lenses are made of vandal resistant textured polycarbonate or dent resistant textured acrylic. White textured polycarbonate is also available.
